

Benjamin Franklin's mind was never idle as he continuously looked for ways to improve life. He was famous for more than his inventions and for being the country's first Postmaster General. He was also known as a "Founding Foodie" and for his belief that "There can't be good living where there is not good drinking."

Benjamin's Bar & Lounge brings our namesake's lifelong passions of inventions, fine beverages and food to life in the 21st century. Wine by the spoon, champagne sabering, Fabrice's exquisite French pastries and chocolates, charcuterie at a new level. What will Benjamin's invent next?
