NEW YORK – March 2, 2017 – [Trump International Hotel & Tower® New York](#) is honored to announce the exclusive Forbes Travel Guide’s 2017 Five Star Award and AAA 2017 Five Diamond Award it received, along with being included in the U.S. News & World Report 2017’s Best Hotels Rankings.

These highly prestigious awards are authorities in the travel industry and highlight the best of the best in luxury travel based on a variety of rigorous standards. The hotel is only one of 10 AAA Five Diamond Award properties in New York City and one of eight that has been honored with the Forbes Travel Guide’s Five Star Award this year.

“We are always striving to offer our guests an impeccable stay with us,” says General Manager Suzie Mills, who has been at Trump Central Park since its opening in 1997. “It is an honor to receive these recognitions that underscore the hard work and passion of the hotel’s loyal, dedicated team. It is particularly meaningful to have our work recognized as we celebrate our 20th anniversary this year.”

Forbes Travel Guide Five Star Award sends anonymous professional inspectors around the world to rigorously assess hotels, restaurants, and spas against up to 500 objective standards including their location, amenities, strong reputation of exceptional service and facility quality. Trump Central Park has maintained its Five-Star Hotel Rating since 2009 in addition to the Five-Star Restaurant Rating for the hotel’s restaurant Jean-Georges since 2011, and the Four-Star Spa Rating for the Trump Spa New York since 2014.

Among the most well-known and respected trademarks in the global travel industry, the AAA Five Diamond status is the highest possible rating bestowed by the travel authority. Each year, AAA conducts unannounced, in-person evaluations at nearly 59,000 restaurants and hotels throughout the United States, Canada, Mexico, and the Caribbean to determine which properties will be awarded the prestigious Five Diamond designation. Following the rigorous evaluations from AAA’s professional inspectors, only 0.4 percent make the exclusive AAA Five Diamond list. Trump Central Park first received the Five Diamond award in 2011 and has consecutively upheld its Five Diamond rating since to meet the impeccable standard of excellence along with the hotel’s restaurant Jean-Georges, which first won the Five-Diamond Restaurant rating for the restaurant in 2008.

According to the U.S. News & World Report's 2017 Best Hotels Rankings, Trump Central Park is listed as #6 out of 23 Gold Badge winners in the Best Hotels in the USA rankings. The rankings evaluate more than 3,000 luxury hotels across the USA, Caribbean, Canada and Mexico using a comprehensive methodology centered on three components: aggregated opinion of professional travel experts, overall customer satisfaction expressed in online guest reviews under license by TripAdvisor, and hotel class rating.
