

Benjamin Franklin's mind was never idle as he continuously looked for ways to improve life. He was famous for more than his inventions and for being the country's first Postmaster General. He was also known as a "Founding Foodie" and for his belief that "There can't be good living where there is not good drinking."

Benjamin's Bar, Lounge and Terrace brings our namesake's lifelong passion of inventions, fine food and beverage to life in the 21st century. What will Benjamin's invent next?
